

# Village of Radisson Newsletter

June, 2023

As a precautionary measure to protect the health and safety of the community regarding the Coronavirus (Covid-19) and its variants, the Village of Radisson Office/Village Hall continues to be available for public access on a limited basis. Masks are recommended for individuals with, or experiencing, health issues. For alternate methods to correspond with Village officials, see Village Quick Facts on reverse side or use the drop box at the Village Hall.

## From Andrew Carli, Village President

Many thanks to Shelly Wortman for her dedicated service as a Village Trustee since mid-2018. She keenly felt the needs of the residents and businesses of the community and represented them fairly. She will be missed on the Board but promises to be watchful from the sidelines!

As we say goodbye to Shelly, the Board welcomes Robin Gutowski as the newly elected Trustee for the Village. As a life-long resident of the Village, Robin is aware of the many issues facing the residents, businesses and the Board and is ready to seek and work toward solutions. Welcome Robin!

After much research and discussion, the Village emergency shelter has moved into the preliminary design stage. Depending on the final design, materials, bids, etc., construction and completion of the project is tentatively planned for 2024.

The Village Board has been working on updating land use and mobile home ordinances.

The Village's assistance in cleaning up broken branches caused by the winter's ice storm will be ending June 12.

The Village Board meets the 2<sup>nd</sup> Monday of each month at the Village Hall. Agendas are posted at least 24 hours before the meeting. Residents are encouraged to attend and become involved!

## Amy Bullerwell, Trustee
